Formulation of L. P. Problem

Objective Function:
Maximize: $20B + 30C$

Constraints -- Subject To:

$3B + 2C \leq 16$ Machine

$1B + 3C \leq 12$ Plate

$2B + 2C \leq 6$ Polish

| bearings	channels	resulting contribution
1.5	3.5	135

How Long Will The Project Take?
